

# Dortmund Christmas Market

We invite you to visit one of the largest and most beautiful Christmas markets in Germany! At around 300 stands with artistic craftsmanship, Christmas decorations, extraordinary toys and much more, there is virtually everything which your heart most desires during the Advent season. And what would a stroll through the Dortmund Christmas Market be without trying the typical glühwein or one of the other beverage specialties? The annual glühwein cup has a new motif this year, particularly anticipated by collectors. The Dortmund Christmas Market will pamper your palette with savoury food items such as bratwurst and Westphalian grilled ham as well as sweet foods such as burned almonds, crêpes and other yummy treats.
